

About Gnanamani College of Technology

The Gnanamani Educational Institutions run under the leadership of two legendary academicians Dr. T. Arangannal and Mrs. P. Malaleena. Emerging as a technical institution with high standard, quality and excellence, producing quality engineers, researchers and entrepreneurs as professionals with ethical, moral values to contribute to the society.

About ECE Department

The ECE department's mission is to facilitate students acquiring theoretical knowledge as well as practical skills needed for meeting the challenges in the field of Electronics and Communication Engineering.

About the Conference

International Conference on Inventive Communication and Computational Technologies (ICICCT) 2019 encompass both the latest hardware and software developments as well as algorithmic and theoretical developments. This conference series includes engineers, academicians, researchers, to initiate an outstanding international forum to share ideas and achievements in the theory and practice in areas of various communication systems and computing technologies.

Call for Papers

Advanced Electronics & Communication Technologies

- ✓ Antenna Design and RF Propagation
- ✓ Smart City Technologies and Systems
- ✓ Smart Energy Systems
- ✓ MIMO Systems & Microwave Systems
- ✓ Bio-Computation Techniques
- ✓ Embedded Systems and Applications

Artificial Intelligence (AI) & Capsule Networks

- ✓ Capsule Networks in Deep Learning
- ✓ Smart Robots for Multi-Task Performance
- ✓ High Dimensional Data Routing in AI
- ✓ Telecommunication Computing in Ubiquitous AI

Data Communication & Computer Networking

- ✓ Cryptography
- ✓ Optical Networking
- ✓ Recent Trends in Computer Networks
- ✓ Wireless Multimedia Systems

VLSI Design & Automation

- ✓ Electronic System Level Design & Embedded Systems
- ✓ Low Power CMOS Design
- ✓ Logic Synthesis and Physical Design
- ✓ MEMS and Sensors Design
- ✓ RF, Analog and Mixed-Signal Circuits

Communicating Things Networks (CTN)

- ✓ Block Chain Technologies in CTNs
- ✓ Fog Computing and CTNs
- ✓ Mobile Edge Computing
- ✓ Context-Aware Networking Protocol

Applications

- ✓ IoT, Big Data
- ✓ Cloud Computing
- ✓ Software Engineering
- ✓ Artificial Intelligence
- ✓ Sensor Networks

Publication & Indexing

All registered papers will be published in Springer Lecture Notes in Networks and Systems

Chief Administrative Officer,
Gnanamani Educational Group of Institutions,
Namakkal, Tamil Nadu, India.

CHIEF PATRON

Dr. T. K. Kannan, M.TECH., PH.D.,
Principal,
Gnanamani College of Technology,
Namakkal, Tamil Nadu, India.

CONFERENCE CHAIR

Dr. G. Ranganathan,
Professor, Electronics and Communication
Engineering,
Gnanamani College of Technology,
Namakkal, Tamil Nadu, India.

ORGANIZING SECRETARY

Dr. Kaliammal,
Professor, Electronics and Communication
Engineering,
Gnanamani College of Technology,
Namakkal, Tamil Nadu, India.

KEY NOTE SPEAKERS

Dr. Han-Chieh Chao
Professor Department of Electrical Engineering,
National Dong Hwa University, Taiwan and
President,
National Dong Hwa University, Taiwan.

Mr. R. Valanarasu,
Senior Consultant,
Enterprise Application Services,
Infosys Ltd.
